Invitation Letter

To,
Ms. / Mrs. Richa Pahwa,
Co-ordinator, GDC, GPAT Discussion Centre,
Head Office, Bilaspur (C.G.)

Respected Madam,

We are pleased to introduce ourselves as a growing institute in the field of technical education and management studies. Shreeyash Technical Campus, established in the year 2008, has cast an impression in the Technical & Management Education in Marathwada region. Shreeyash Technical Campus is an ISO 9001:2008 certified institute. We are one of the leading groups of institutions of Aurangabad, offering education in the fields of **Engineering and Technology (PG, UG and Diploma course) & Management** and have a track record of outstanding performances of its pass-outs in different spheres.

We are keen to organize a guest Webinar at our organization for our B. Pharm. third & final year students on topic "**GPAT & Career Guidance after B.Pharm**". In the past, we have conducted similar programs, in which several renowned experts have shared their valuable thoughts.

We look forward to your confirmation for this webinar. We would appreciate if you could send your kind consent for this webinar through mail.

Thanking you,

Respected Sir,

We are pleased to introduce ourselves as a growing institute in the field of technical education and management studies. Shreeyash Technical Campus is an ISO 9001:2015 certified institute. We are one of the leading groups of institutions of Aurangabad, offering education in the fields of Pharmaceutical Education (PG, UG and Diploma course) and have a track record of outstanding performances of its pass-outs in different spheres.

We are keen to organize Seminar at our organization for our students of academic year 2023-2024 on topic 'Development of Instrumentation Facilities for Emerging Scientist'. In the past, we have conducted similar lectures, in which several renowned experts have shared their valuable thoughts.

We look forward to your confirmation for this lecture. We would appreciate if you could send your kind consent for this lecture through mail.

Thanking you.

ACTIVITY REPORT

Name of activity	: Online workshop on "Development of Instrumentation Facilities for Emerging Scientist"		Date: 15/04/2024	
Type of Activity	: Guest Lecture			
Organizers	: Shreeyash Institute of Pharmaceutical Education and Research, Chh. Sambhajnagar			
Venue	: Class Room No. 401	No. of participants:	Students	Teachers
			76	02
Objective	: The objectives of the guest lecture on "Development of instrumentation facilities for Emerging Scientists" were to provide an overview of available instrumentation facilities, understand the specific needs of emerging scientists, emphasize the importance of instrumentation in research, explore strategies to improve access and availability, highlight the significance of training and skill development, showcase recent technology trends, share case studies and success stories, discuss networking and collaboration opportunities, provide insights into career development, and facilitate interactive Q&A sessions to deepen participants' understanding.			
Activity Incharge	: Mr. Amol Lonarkar, Mr. Vinayak Mhaismale			
Description of Activity	: "During his guest lecture on the 'Development of Instrumentation Facilities for Emerging Scientists' on April 15, 2024, Mr. Avinash Chaudhari, the founder of Oxy Servalife Laboratories Pvt. Ltd., provided priceless insights. Mr. Chaudhari enthralled our audience with his depth of industry expertise, practical guidance, and real-world examples. His fascinating discussion encouraged our young scientists to use these tools for their research endeavors while also illuminating the most recent developments in instrumentation. Our pupils felt motivated and eager to explore new horizons in scientific instrumentation after attending this insightful workshop."			
Outcome/feedback	: "By attending this guest lecture, students feel more self-assured and energized. Now that they have gained Mr. Chaudhari's practical expertise and insights, they are more capable of navigating the complexity of scientific instruments. His knowledge and practical experiences encourage our aspiring scientists to push the limits of their respective professions' study and innovation. Our students curiosity and excitement have been sparked by Mr. Chaudhari's captivating talk, and this is leading them toward a future full of limitless opportunities for scientific inquiry."
