Certificate

Subject: Regarding the completion of the tree plantation program

In reference to the above subject, from the Sarpanch/Village Development Officer, Gandheli, it has been conveyed that students from Shreeyash Institute of Pharmaceutical Education and Research conducted a tree plantation drive in the village on March 6, 2024, under the NSS camp, delivering the message "Plant Trees, Save Trees" to the villagers and emphasizing the importance of tree plantation through street play.

Therefore, the Gandheli Village Panchayat has no objection to issuing this certificate.

Letter of Appreciation

I want to extend our heartfelt thanks to Shreeyash Institute of

Pharmaceutical Education and Research Chh. Sambhajinagar camp held on

07-09-2023, in this Camp 60 Donors Donated Blood for this generosity
shown at the blood donation awareness camp at Chh. Sambhajinagar. Blood donation
is a gift that only you can give. It is a small act with a big potential impact on others
because life is precious, and it is in the blood, you can make someone's life brighter
by donating blood. This small gesture can make huge difference in saving someone's
life but because of lack of resources and incomplete information people hold themself
back for donating blood. By creating awareness via posters, slogans, camps and acts
make people aware about this and also encourage them to contribute to locality.

Its success also demonstrated the values you uphold and the supportive atmosphere you marmain by individually explaining the importance of blood donation with your valuable

thoughts. We express our appreciation and gratitude for such priceless contribution to humanity. Please continue support and help us to promote this life saving activity.

'SHARE THE RED GOLD, BE A BLOOD BUDDY'.

Thank-you.

Secerely.
