Description of Activity	:	Rangoli making is all about showing artistic creativity by using beautiful colors. Patterns are created on the floor using materials such as colours, flower petals, glitter etc. It is a way to express imagination. The judgement depended on the selection of the design, neatness, clarity, colour combination and creativity by the students to make their designs more presentable.			
Outcome/feedback	:	Engaging in the competition allowed students to express their artistic abilities and creativity through the medium of Rangoli, enhancing their artistic skills.
