Letter of Appreciation

I want to extend our heartfelt thanks to Shreeyash Institute of Pharmaceutical Education and Research Chh. Sambhajinagar camp held on 07-09-2023, in this Camp 60 Donors Donated Blood for this generosity shown at the blood donation awareness camp at Chh. Sambhajinagar. Blood donation is a gift that only you can give. It is a small act with a big potential impact on others because life is precious, and it is in the blood, you can make someone's life brighter by donating blood. This small gesture can make huge difference in saving someone's life but because of lack of resources and incomplete information people hold themselves back for donating blood. By creating awareness via posters, slogans, camps and acts make people aware about this and also encourage them to contribute to locality.

Its success also demonstrated the values you uphold and the supportive atmosphere you maintain by individually explaining the importance of blood donation with your valuable thoughts. We express our appreciation and gratitude for such priceless contribution to humanity. Please continue support and help us to promote this life saving activity.

'SHARE THE RED GOLD, BE A BLOOD BUDDY'.

Thank you,

Sincerely,

Shreeyash Pratishthan's
