SERVICE AGREEMENT

This Service Agreement (hereinafter referred to as "Agreement") is made at Chh. Sambhajinagar on 20/05/2024 for the Student & Faculty Development Programme (hereinafter referred to as "Programme"), between

Shreeyash Institute of Pharmaceutical Education and Research, Chh. Sambhajinagar (hereinafter referred to as "**Institute**") which expression shall mean and include all its administrators, assignees, agents, successors and legal representatives) of the Other Part. Students enrolled and studying various courses with the "**Institute**", hereinafter will be referred to as "**Student**".

AND

"Redcross Formulation are a leading Manufacturer of a wide range of Pharmaceutical syrup, Cough syrup, Paracetamol syrup etc. Redcross formulation is responsible for advancement of healthcare by driving innovation, ensuring the availability of medications, and contributing to public health on a global scale. They play a crucial role in the healthcare ecosystem by developing, producing, and distributing medications and medical products.

Shreeyash Institute of Pharmaceutical Education and Research, Chh. Sambhajinagar, Affiliated to *Dr. Babasaheb Ambedkar Technological university, Lonere, Raigad* and MSBTE, MUMBAI in CHH. SAMBHAJINAGAR and Redcross Formulation, CHH. SAMBHAJINAGAR hereby agree to promote the academic exchange, the research cooperation and certificate based courses between the two parties.

Aims and Objectives of proposed MoU

1. To excel in acquisition of knowledge and its dissemination.
2. To share human resources/expertise and skills.
3. To share infrastructure for mutual growth and progress.
4. To promote capacity building among Students and Faculties.
5. To promote scientific temperament among the students and community.
6. To involve in outreach activities for the benefit of the society.
7. To share the research activity and research trainings.
8. To develop and generate employability in students and offer opportunities.

Area of Interest

1. Faculty Development by mutual sharing of academic expertise and joint research programs.
2. Capacity building among students of this college by completing add-on courses conducted by **Redcross Formulation** to improve employability quotient.
3. Visits to specialized Analytical Laboratory of **Redcross Formulation** by students of this college for acquisition of knowledge and promotion of awareness and scientific temperament.

1. Mutual Sharing of Academic Expertise:

1. Need-based faculty sharing for delivering lectures on special topics on some mutually agreed minimum remuneration.
2. This college can make available specialized faculty from pure sciences for teaching and syllabi framing or literature writing.
3. Staff can deliver talk to college students at post graduate and under graduate level and to students registered for research.
4. To Provide Certificate based Courses courses between these two organization.

2. Faculty Development:

1. Permission to faculty members of the college to Redcross formulation instruments for analysis on payment of fees (to cover recurring expenses).
2. Collaborative work on research projects particularly concerning the needs of the society.
3. Joint research programs between Redcross formulation and College faculty.
4. Collaborative work to identify soil and water parameters for its quality.
5. Student registering for Ph.D. can be jointly guided by faculty from Redcross formulation and the College.

3. Capacity Building among Students:

1. **Employability Development:** Conducting short term special courses like Water Analysis, Chemical Analysis of Drugs and Drug Intermediates and Instrumentation in Chemical Analysis for the college students by on mutually agreed minimum fees.

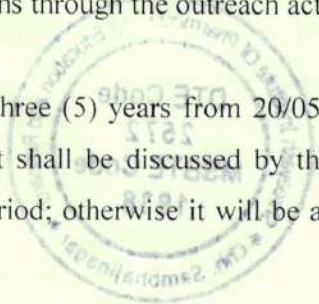

3. Redcross formulation faculty can extend technical expertise for setting up of laboratories for Analytical Chemistry.

4. Scientific Temperament and Awareness:

1. Redcross formulation and the College can jointly organize programs for students on career opportunities in Science and Technology.
2. Jointly organizing camps for jobs to students from these two institutions.

This MoU will give an impetus to faculty development and will immensely benefit the students in their capacity building along with collaborative Research activities with far reaching results. The MoU will provide both the parties to fulfill their social obligations through the outreach activities.

This agreement shall be effective for the period of three (5) years from 20/05/2024 - 15/04/2029. Any renewal of revision or termination of the agreement shall be discussed by the representatives of both parties two months prior to the end of the current period; otherwise it will be automatically renewed for the additional three (3) years period thereon.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (this "MOU") is made and entered into on the [12th day of November 2022]

By and between:

Shreeyash Pratishtham's
SHREEYASH INSTITUTE OF PHARMACEUTICAL EDUCATION AND
RESEARCH, AURANGABAD, (MS) INDIA.

(Affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad, India)

("First Party")

And

SIR NAGESH JONDHALE

IE CENTRE,

IE CENTRE CAMPUS, AMBAJOGAI

("Second Party")

Both known collectively as the "Parties".

Background:

The First Party and the Second Party desire to enter into an agreement in which they will work together to achieve the various aims and objectives relating to the overall personality development of students residing at Shreeyash Institute of Pharmaceutical education and research Aurangabad.

In response to this party one will give required facilities & infrastructure to conduct these training courses and will give monetary benefits to party two which is as per the mutual decision made by both parties before the commencement of every course.

With this the First and the second Party desire to enter into an agreement between them, setting out the working arrangements for student's personality development.

Purpose & Scope

1. The purpose of this MOU is to provide the basic soft skills to the students of Party one so as to improve their employability skill which will be provided by Party two with their proper module of content and its delivery

The Parties Obligations

1. The Parties desire and wish that this document will not create any form or manner of a formal agreement, but rather an agreement between the Parties to work together in such a manner that would promote a genuine atmosphere of collaboration in support of an effective and efficient development of students.

Responsibilities

1. The First Party shall undertake the following activities under this MOA:

Availability of necessary facilities to conduct the courses carried out by party two at the premises of party one.

To pay the fees (Mutually decided by both parties before the course/programme) against the course/programme offered / conducted by party two

2. The Second Party shall undertake the following activities under this MOA:

To develop the course modules and effective delivery of it to the students residing at party one

Dispute Resolution

1. The Parties to this MOU agree that if any dispute arises through any aspect of this agreement, including, but not limited to, any matters, disputes, or claims, the Parties shall confer in good faith to promptly resolve any dispute.

Assignment

1. Neither Party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party.

Amendment

1. This MOU may be amended from time to time by mutual agreement of the parties in a written modification signed by both parties.

Termination

This MOU shall automatically terminate upon completion of 5 years from the date both parties entered into this agreement. Both parties may come up with renewal of agreement if required.

Authorization and Execution

The signing of this MOU does not constitute a formal understanding and as such it simply intends that the Parties shall strive to reach, to the best of their abilities the objectives stated herein.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (this "MOU") is made and entered into on the [14th day of September 2022]

By and between:

Shreeyash Pratishthan's
**SHREEYASH INSTITUTE OF PHARMACEUTICAL EDUCATION AND
RESEARCH, AURANGABAD, (MS) INDIA.**

(Affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad, India)

("First Party")

And

**SIR G. GEORGE
SHASHWATGYAN**

Course of Life,

("Second Party")

Both known collectively as the "Parties".

Background:

The First Party and the Second Party desire to enter into an agreement in which they will work together to achieve the various aims and objectives relating to the overall personality development of students residing at Shreeyash Institute of Pharmaceutical education and research Aurangabad.

In response to this party one will give required facilities & infrastructure to conduct these training courses and will give monetary benefits to party two which is as per the mutual decision made by both parties before the commencement of every course.

With this the First and the second Party desire to enter into an agreement between them, setting out the working arrangements for student's personality development.

Purpose & Scope

1. The purpose of this MOU is to provide the basic soft skills to the students of Party one so as to improve their employability skill which will be provided by Party two with their proper module of content and its delivery

The Parties Obligations

An agreement between the Parties to work together in such a manner that would promote a genuine atmosphere of collaboration in support of an effective and efficient development of students.

Responsibilities

1. The First Party shall undertake the following activities under this MOA:

Availability of necessary facilities to conduct the courses carried out by party two at the premises of party one.

To pay the fees (Mutually decided by both parties before the course/programme) against the course/programme offered / conducted by party two

2. The Second Party shall undertake the following activities under this MOA:

To develop the course modules and effective delivery of it to the students residing at party one

Dispute Resolution

1. The Parties to this MOU agree that if any dispute arises through any aspect of this agreement, including, but not limited to, any matters, disputes, or claims, the Parties shall confer in good faith to promptly resolve any dispute.

Assignment

1. Neither Party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party.

Amendment

1. This MOU may be amended from time to time by mutual agreement of the parties in a written modification signed by both parties.

Termination

This MOU shall automatically terminate upon completion of 5 years from the date both parties entered into this agreement. Both parties may come up with renewal of agreement if required.

Authorization and Execution

The signing of this MOU does not constitute a formal understanding and as such it simply intends that the Parties shall strive to reach, to the best of their abilities the objectives stated herein.

SERVICE AGREEMENT

This Service Agreement (hereinafter referred to as "Agreement") is made at Aurangabad on 01/08/2018 for the Student & Faculty Development Programme (hereinafter referred to as "Programme"), between

Lords Research and life science Laboratory Pvt. Ltd, is a organisation based on scientific approach, at Aurangabad. It has three basic aims that are to strengthen the health by natural way, to strengthen nature by Plantation and to strengthen technology by research training.

AND

Shreeyash Institute of Pharmaceutical Education and Research, Aurangabad (hereinafter referred to as "**Institute**") which expression shall mean and include all its administrators, assignees, agents, successors and legal representatives) of the Other Part. Students enrolled and studying various courses with the "**Institute**", hereinafter will be referred to as "**Student**".

Lords Research and life science Laboratory Pvt. Ltd, Aurangabad, INDIA and **Shreeyash Institute of Pharmaceutical Education and Research, Aurangabad,,** Affiliated to *Dr. Babasaheb Ambedkar Technological university, lonere, Raigad* and **MSBTE, MUMBAI** in **INDIA** hereby agree to promote the academic exchange, the research cooperation and certificate based courses between the two parties.

Aims and Objectives of proposed MoU

1. To excel in acquisition of knowledge and its dissemination.
2. To share human resources/expertise and skills.
3. To share infrastructure for mutual growth and progress.
4. To promote capacity building among Students and Faculties.
5. To promote scientific temperament among the students and community.
6. To involve in outreach activities for the benefit of the society.
7. To share the research activity and research trainings.
8. To develop and generate employability in students and offer opportunities.

Area of Interest

1. Faculty Development by mutual sharing of academic expertise and joint research programs.
2. Capacity building among students of this college by completing add-on courses conducted by **Lords Research and life science Laboratory Pvt. Ltd** to improve employability quotient.
3. Visits to specialized Analytical Laboratory of **Lords Research and life science Laboratory Pvt. Ltd** by students of this college for acquisition of knowledge and promotion of awareness and scientific temperament.

1. Mutual Sharing of Academic Expertise:

1. Need-based faculty sharing for delivering lectures on special topics on some mutually agreed minimum remuneration.
2. This college can make available specialized faculty from pure sciences for teaching and syllabi framing or literature writing.
3. Staff can deliver talk to college students at post graduate and under graduate level and to students registered for research.
4. To Provide Certificate based Courses courses between these two organization.

2. Faculty Development:

1. Permission to faculty members of the college to Lords laboratory instruments for analysis on payment of fees (to cover recurring expenses).
2. Collaborative work on research projects particularly concerning the needs of the society.
3. Joint research programs between Lords and College faculty.
4. Collaborative work to identify soil and water parameters for its quality.
5. Student registering for Ph.D. can be jointly guided by faculty from Lords and the College.

3. Capacity Building among Students:

1. **Employability Development:** Conducting short term special courses like Water Analysis, Chemical Analysis of Drugs and Drug Intermediates and Instrumentation in Chemical Analysis for the college students by LORDS on mutually agreed minimum fees.
2. Permission by LORDS to allow visit of students to Analytical Laboratory for awareness and promotion of interest.

3. LORDS faculty can extend technical expertise for setting up of laboratories for Analytical Chemistry.

4. Scientific Temperament and Awareness:

1. LORDS and the College can jointly organize programs for students on career opportunities in Science and Technology.
2. Jointly organizing camps for jobs to students from these two institutions.

This MoU will give an impetus to faculty development and will immensely benefit the students in their capacity building along with collaborative Research activities with far reaching results. The MoU will provide both the parties to fulfill their social obligations through the outreach activities.

This agreement shall be effective for the period of five (5) years from 10/06/2019 to 10/06/2024. Any renewal of revision or termination of the agreement shall be discussed by the representatives of both parties two months prior to the end of the current period; otherwise it will be automatically renewed for the additional five (5) years period thereon.
